

# TECHNOLOGY OF PETROLEUM SERVICES

P.O.Box 5291 Dammam 31422  
Kingdom of Saudi Arabia  
Tel: +966-3-832 5542  
Fax: +966-3-832 7388  
Website: [www.tpetro.com](http://www.tpetro.com)  
Email: [info@tpetro.com](mailto:info@tpetro.com)

TPS is a global technology provider of tools and solutions to all industries. Our team is highly motivated, technically competent and ever striving to provide you with the right tools and solutions. Our major clients: Saudi Aramco, Saudi Electricity Company, Drilling contractors, International and Local contractors.

## Agencies and Products lists:

### **TELLHOW ABB GENERATORS**

TellhowABB owns comprehensive strength of designing, manufacturing and intellectualized generators with major manufacturer such as: **Perkins, Cummins, MTU and Volvo.**

It is a leading Manufacturer of Hydraulic torque wrenches, Hydraulic Tensioning & other related Hydraulic system tools.

IR is a manufacturer of the most comprehensive range of manual, electric, air and hydraulic chain hoists and winches on the market. The capacity range between 0.25 to 100 T.

The company objective is to plan, produce and market tools and machines for the production and maintenance of exchangers, condensers, refrigerators or boilers of chemical plants, oil refineries, power stations, sugar factories, etc. Accept market challenges to accelerate in-house research in order to provide customers with technological machines and tools that tailored to their specific needs.

Ray Oil Tool Company was founded to develop new innovative casing cementing accessories, and their placement, for the betterment in obtaining the most essential requirement necessary for getting cement 360° around the casing. Ray Oil Tool Company has long been recognized as world leader in the field of Solid Casing Centralization.

It is a UK company focusing in Drilling & Petroleum, Engineering consultancy, Training in all aspects of the oil & gas industry at all levels, Oil & gas procedure Manuals and Well Design Services.

They are specialized in Land Rigs, Mud Pumps, Rotary Pumps & other Pumping units.

[www.zeefax.com](http://www.zeefax.com)

They are huge group consist of three major sectors; Industrial Supply such as: Drives, Mechanical, Compressors, Electrical, and Electronics Instruments. The company is also involved in Condition Monitoring such as: Vibration, Monitoring, Efficiency Monitoring, Data Acquisition, Alarm Management, Monitoring Hardware, Monitoring software. Also, Drilling Supply such as: DC Drilling, AC Drilling, Drilling Motors, Drilling Automation, Zeefax Fast Track.

[www.gemini-catalyst.com](http://www.gemini-catalyst.com)

World largest processors of platinum group metals from spent reforming catalyst generated by the petroleum industry.

[www.prismseismic.com](http://www.prismseismic.com)

Prism Seismic was founded to unlock the potential of seismic data, and to provide to E&P companies a definite business advantage resulting from a very accurate and high resolution description of their assets.

[www.flexpipesystems.com](http://www.flexpipesystems.com)

Flexpipe Systems is committed to revolutionizing the pipelining industry with its high pressure, corrosion-resistant, coiled, continuous pipeline system. Using a patented combination of high density polyethylene and wound glass fibers, Flexpipe linepipe is a durable, corrosion-less, spoolable system with operating pressures up to 1500 psi (10,342 kPa).

[www.glindustries.com](http://www.glindustries.com)

G.L.M. is a major tank fabricator and one of the oldest in the business (since 1977). G.L.M. is known for our inventory of tank accessories such as gaskets, valves, gauges, vents, burners and tank gauge tables for any size tank upon request.

## **Other Products:**

### **I-Drilling products**

Cementing & Float equipment Fishing tools, Drilling equipment spares, Demco butterfly and gate valves, BOP control system accumulator units, Centrifugal Pumps, Desander & Decilitres cones, Shaker Screens, Pipe dope, high pressure hose, Air hoisting equipment spears, MUD hoppers & MUD guns, MUD pump parts and MUD pump Fluid Ends.

### **II-Electrical Products**

Wires and Cables, Wiring devices, Cable trays, Junction Boxes,( Indoor, Outdoor& Explosion Proof ), Fuses, Relays, Transformers, Generators Ring Main Units, Lighting fixtures, Lighting Poles (steel & Aluminium), Lamps Grounding & Exothermic weld connections, Ballasts, Starters, Welding Equipment & Accessories, Lightning Protection and Measuring equipments.

### **III-Mechanical Products**

Pipes (Seamless/SAW/ERW) Fittings (Flanges, Elbows, Reducers....), Centrifugal Pump, All types of valves, Compressors, Blowers& Vacuum Pumps, Heat Exchangers.

### **IV- INSTRUMENTATION PRODUCTS**

Flow- Indicators/Transmitters/Switches, Flow meters.

### **V-COMMUNICATION PRODUCTS**

Fiber optic cables, Communication cables, Communication Network& Switches and Alarm System.
